

ECO-CODE

St Edmund's Eco Code

1. If you see any litter in the playground, pick it up.
2. Always turn off the lights and the interactive white board if a room is not in use.
3. If you can, walk or cycle to school instead of coming in a car.
4. Always put paper and cardboard in the recycling bin.
5. Try to bring a re-usable bottle to school, not throw away plastic ones.
6. Try to use as little paper or plastic as you can!
7. Try to look after insects and their homes.
8. Always try your best to look after our school environment!
