Dear Parents and Carers,

I am writing to you at the end of this Autumn Term to thank you all for the continued support of your children and of our St. Edmund's Community.

Looking back to September I never imagined that the Covid pandemic would still have such an impact on the way we run our school as we look forward to 2021.

We will need to continue with all the restrictions that now rule our lives:

Children - in 'Bubbles' having different playtimes, lunch times, using different entrances and stairways.

Parents – only entering the school site at home time, queuing and following one way systems, communicating with staff via the phone and not face to face.

Staff – uploading work on Google Classroom, filming themselves when in 'lock down' situations, wearing masks at home time.

We have had some very difficult times this term – Bubbles being closed, hardship due to lack of employment, family members suffering from Covid, staff losing family members and also tragically two of our children have lost their fathers.

I cannot express enough how the staff have prayed for the families that have suffered and you are never far from our thoughts.

As we all look forward to Christmas I know that there is always so much for you to do at home in preparation, but please also remember to try and make time for yourself, time to reflect on God's love for us all.

Finally, on behalf of all of the staff and governors I would like to wish you and your family a very happy and holy Christmas and we look forward to all of our children returning safely in the New Year.

Kind regards

*J Johnstone*
