To parents of all Year 6 pupils

Dear Parent/carer,

Your child will be transferring to Secondary School at the end of this school year. This can be an exciting but anxious time for both you and your child, and the decisions that have to be made are crucial and can be difficult. The completion of the secondary school application form and how you list your choices is very important.

I have attached the Secondary School Information Booklet from the Local Authority. All necessary information can be found in the booklet, it explains the process and gives you a date at the end of October when you will need to complete your application online.

Here are 2 important links to the Local Authority online portal

www.eadmissions.org.uk

<https://new.enfield.gov.uk/services/children-and-education/school-admissions-and-information/admissions-applications/#8>

It is really important that you attend the open evenings / days for any of the schools you are interested in so that you can look around and ask questions. All the dates for these sessions are in the attached booklets, some of these start next week. There is also a lot of information for you to access on each schools website and I have added all of this information to our school website.

If you live in a different local authority, outside of Enfield, you need to contact your Local Authority and apply there.

Applications for all schools must be made to the Local Authority but please be aware that faith schools require you to complete additional supplementary forms.

The closing date for Secondary Transfer Applications that must be submitted via the online portal is the **31 October 2021**.

Good luck to you all as you move through this process.

Yours sincerely,

J. Johnstone
