Dear parents and carers,

Further to our consultation regarding the new statutory curriculum subject, Relationship and Health Education, we are pleased to let you know that our school decided to adopt the programme, **Life to the Full**, produced by the Catholic educational organisation, Ten Ten Resources.

The **Life to the Full** programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. This model curriculum was highlighted as a work of good practice by the Department of Education so we therefore have confidence that the programme will be fit for purpose in supporting the growth and development of your child.

Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children and, indeed, you as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

In addition there will be an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: www.tentenresources.co.uk/parent-portal

School Password: edmonton-956

Please also see the Parent Portal brochure from Ten Ten that will help to give you an overview of the structure and content of the programme.

Life to the Full is intended to be partnership between home, school and church. We know that you already do a fantastic job and we see our new programme, **Life to the Full**, as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

Regards,

Miss Osborne PSHE/RHE Lead
